March 18, 1940.

Dear Mrs. Glass:

I thank you for your letter of the 11th, and the accompanying nomination blank suggesting Clara Barton for the Hall of Fame.

We are pleased to send you fifty copies of our handbook, and they will probably leave here this afternoon by express, prepaid. I am not sending the nomination blanks you request, because it is not necessary to nominate Miss Barton again. Now that she has been suggested, her name will appear upon the ballot going to the Electors. If you wish to have others endorse her candidacy, it might better be done by writing to the individual members of the College of Electors. I am glad to enclose a list making up this distinguished body.

With appreciation of your interest,

Sincerely yours,

Assistant to the Acting Director.

Mrs. W. A. Glass, Secretary,
